

# Lifting Up Hope

A "Blessing Cabin" built by the generosity of a Mass. Conference congregation like yours.

The cold, rainy Chilean winter is in progress as you read this. If your church has already contributed to building one or more "Blessing Cabins" to provide shelter for families who lost their home in the February earthquake and tsunamis, thank you!

*Help is still needed.*

Costs to upgrade one  
"Blessing Cabin"

Interior - \$700  
Electrical insulation - \$250  
Electrical connection-\$300  
Drainage - \$200  
Drain/water pipes - \$200  
Septic system - \$350

New cost of unfinished Blessing Cabin - \$1750

**If your church has already contributed,** will you consider upgrading the house you've built by providing electricity, drainage, insulation, septic systems, or interior walls and ceilings?

**If your church hasn't yet contributed,** will you consider building a house like the one above for a family in need?

Please make your check payable to "MACUCC" with the word "Chile" written on the notation line and send it to:

MACUCC  
One Badger Road  
Framingham, MA 01702
