

New Restorative Justice Program!

Invite the MA Conference, UCC Restorative Justice Task Team and the Just Peace Players to lead a Restorative Justice circle and discussion at your church.

Join a circle and see what it's like to be in the middle of this process.

This dynamic program is designed for both youth and adults.

Members from the Task Force will lead the circle, and the Just Peace Players will participate. You will join us as we experience the power and potential of the restorative justice process.

It is sacred work!

Contact Mike Rich, the chair of the Restorative Justice Task Team, at kidlaw@comcast.net; or Fran Bogle, coordinator of the Just Peace Players, at fbog@aol.com for more information.
